
Beckhoff Key V2 4

Please tell me how to use the Beckhoff key v2.4 program to hack TwinCat v2. I appreciate your help! Thanks in advance! Best regards, Denis Answer: Please tell me how to use Beckhoff key v2.4 to hack TwinCat v2. In fact, this program does not hack anything. She just gives out the keys. What else does? In Twincat v2, in the "Parameters" tab in the "Enter key" field, a key is specified, which can simply be copied and pasted into the "Enter key" field of the Beckhoff key v2.4 program. This key should fit.
